Travel Around The World

Friends Of The Children's Museum of Phoenix

The Children's Museum Gala soared to new heights at the Cutter Aviation Hangar for Travel Around The World, sponsored by the Friends of the Children's Museum of Phoenix. The event was the last stop towards the final destination, when the Children's Museum will finally be completed and children all over Phoenix will be able to learn and grow within its walls. The museum is expected to be fully completed by the end of 2007. Chair **Marlene Galan Woods** hosted the hundreds of excited kids and equally excited adults, and made sure everyone was entertained by wonderful multicultural performances, including the McElligott-Gallagher School of Irish Dance and Un Corazón Flamenco. Other Gala Committee members in attendance included **Betsy Moore, Betsy Roudi, Karie Dozer** and **Betsey Lieberman**. ■
